

CALL FOR APPLICATIONS: KYRGYZSTAN

NAMA Foundation Official Local Partner

Investment for Future Sustainability

Are you a Civil Society Organization? Does your organisation aspire your local communities?

Is your organisation registered lawfully according to Kyrgyzstan law?

If the answer is 'Yes', then your organization have the opportunity to become our partner.

Why your organization should become our local partner?

- ✓ Knowledge transfer and international networking
- ✓ Allocation of sustainable projects grants related to our areas of intervention
- ✓ Capacity building for our local partners

NAMA FOUNDATION is a public company limited by guarantee incorporated in Malaysia in the year of 2004, under the Malaysian Companies Act 1965. Since 2015, our works cover in numerous projects related to empowerment of education sector and empowerment of youth capacity building in Kyrgyzstan. Following the outstanding impact of those works, we decide to expand our networking with other Kyrgyzstan civil society organisations to work along with us in the next coming years.

The Aim

Our mission of the invitation is to select passionate potential partners whom are capable of delivering excellent projects and sustainable initiatives which give high impact to the local country. We invite applications from a wide range of scale and capacity i.e. well-established organisation, medium size organisation or even from start-up organisations.

Our area of interventions

NAMA Foundation would like to invite applications from civil society organizations which work in our two areas of intervention as follows: -

1. The empowerment of education sector
2. The empowerment of civil society organization through youth development
